

Important Information Regarding Bhavin Technology Software and Code

This letter serves as an important notice regarding the intellectual property rights associated with software and code created by Bhavin Technology.

Copyright Protection

All software and code developed by Bhavin Technology is protected by copyright law. This protection extends to the source code, object code, and any associated documentation.

Restriction on Use

The use of Bhavin Technology's software and code by any organization or individual is strictly prohibited without our explicit permission. This includes:

- Downloading or copying the software or code
- Modifying or adapting the software or code
- Distributing or sharing the software or code with others
- Reverse engineering or decompiling the software or code

Obtaining Permission

If you are interested in using Bhavin Technology's software or code, please contact us directly to discuss licensing options. We are happy to work with you to find a solution that meets your needs.

Social Media and Code Storage

This notice extends to all our social media platforms and any locations where our code is stored. We kindly request that you refrain from sharing or distributing our software or code through these channels.

Enforcement

Bhavin Technology takes the protection of its intellectual property rights very seriously. We will take all necessary legal steps to enforce these rights in the event of unauthorized use.

Thank you for your cooperation.

Contact Information

For any questions regarding this notice or to inquire about licensing opportunities, please contact Bhavin Technology at technologybhavin@gmail.com

Sincerely,

Bhavin Technology
